## Talent Form:

We would like to know more about our participant's additional skills and talents they bring to our educational programs. This will help teaching artists know participant's skills in advance that we can utilize and showcase in our programs. This form will not affect the ensemble curriculum and/or casting process, which will take place during class and/or rehearsal. Also this doesn't mean the class or production will be using everyone's additional talents, but we hope to use as many as possible in support of curriculum. Thank you for your time in sharing your talent(s)!
