# celebrating 34 years

of bringing excellent bilingual musical theatre to schools throughout the Southwest!

## This year's tour!

Albert Porter is an ordinary kid in every sort of way. At least that's what he thinks – until he discovers the people and stories from the past that make him exceptional. Throughout his journey he learns about the many cultures that make up Colorado's diverse landscape: including Pueblo and Ute ancestors, Hispano explorers, and more. Travel with Albert as he adventures through time, discovering the rich cultures that weave together the contemporary landscape of the Southwest!

## Educators say

*"Our children loved it! They were engaged, they really responded to the presentation being bilingual and the cast was so professional. You are AWESOME!"*

Joe Gutierrez, Principal, AZ

*"Must-see educational experience! Students immediately started reading their books on the bus ride back to school."*

Julie Furstenfeld, Teacher, CO

*"Best assembly of the year! Do it!"*

Jovonna Miller, Teacher, CO

*"After the show students were skipping down the hallway and singing songs from the show."*

Cathy Ormsby, Teacher, CO

*"The outreach tour is always engaging, entertaining, and relevant to our students. 750 eyes were locked on the stage with awe!"*

Christy McBee, Principal, CO

Creede Repertory Theatre's Young Audience Outreach Tour is one of the largest providers of educational theatre to the rural Southwest, serving *over 24,000 children* in over sixty communities. Our mission is to bring high quality musical theatre to young audiences in rural and underserved communities by annually producing an original children's show that tours throughout the Southwest.

## Literacy empowers our Youth!

To support your community's literacy endeavors, each student receives a free original children's book after our shows. These books reinforce the themes of the study guide and play, while making reading exciting!
