ABOUT: The Young Audience Outreach Tour is an original children's show commissioned each year to bring theatre to under-served populations throughout the Southwest. Each year we travel throughout Colorado, New Mexico, Utah, Oklahoma, Arizona, and Nevada reaching over 24,000 students in less than three months. This year we will be expanding a second tour to Northwest Kansas. If you enjoy originating roles in new musicals and have a passion for how theatre can positively impact a young person's life, then we'd love to hear from you.

Creede Repertory Theatre is an equal opportunity employer.
